**ATTENTION**

1. For the graphing calculator, please buy it during the summer when the price is at least 40% cheaper than during the school year.
2. PLEASE DO NOT OPEN the plastic wrapping and KEEP THE RECEIPT until the teacher confirms with your daughter that it is the right calculator. With an opened package OR missing receipt, the store will not allow you to exchange for the right calculator.
3. PLEASE GET THE TI84+ **SILVER EDITION** of any color, i.e., pink, blue, light blue, black, etc., AND NOT THE TI84+ OR other types of graphing calculators. They might be cheaper however; they do not possess the needed applications for the NYS Regents Exams.
