March 12, 2020

Dear Parents and Guardians,

As I explained in yesterday's letter, at SJHS we continue to make plans in the event the school needs to close for a period of time. This afternoon we met with your daughters to hear their concerns about the situation, review the scientific facts about the virus, dismiss some rumors, pray together for our school, our nation and our world and to inform them about the schedule for the next few days:

- Tomorrow, Friday March 15 - Sports Day, dismissal is at 12:30pm
- Monday March 16th - students are to stay home and log in to their iPads as we will be testing our remote instruction program. Teachers will be at school and will invite the students to join their class remotely. We ask the students to be ready to join a google hangout session throughout the day 8-3pm.
- Tuesday, March 17 - Regular school day (unless announced otherwise).

We will continue to communicate any news via email, please continue to check your emails regularly.

As always, if you have any questions and concerns please do not hesitate to contact me.

And again, thank you for your understanding and patience during these trying times.

Regards,

Ms. Antonio
