March 13, 2020

Dear Parents/Guardians,

Following this morning's announcement from the Diocese of Brooklyn and after consultation and counsel, St. Joseph High School will proceed to Remote Learning from March 16th-20th. We will reassess the situation at the end of the week and evaluate as necessary. We will send further detailed instructions on Monday after the Faculty Meeting.

Thank you again for your patience and understanding.

Regards,

Ms. Antonio
Principal
