

Dear SJHS Alumnae,

The Sisters of St. Joseph assure you that, in spite of the cancellation of the May gathering, there is much to celebrate. Each of you has made a unique contribution to society through your own being, your families and your professions. You are a living legacy of the mission of St. Joseph to empower women to deepen their faith and use their gifts for a just and peaceful world. We are grateful to each of you and we continue to pray for you. You join thousands of alums from Sisters of St. Joseph schools who continue to witness to the shared values of love of God and neighbor without distinction.

God bless all of you,

President  
Sisters of St. Joseph
